Children Walking Home Alone (Year 5 and 6)

Dear Parents / Carers,

Safeguarding of all children is of paramount importance to us and we want to ensure that this applies to all aspects of their time at school. In Year 5 and Year 6 parents may wish that their children walk home on their own to help promote their independence and prepare them for the next stage of their school career. It is important that class teachers are aware of which children have permission to walk home to ensure everyone is safe.

If you would like your child to walk home on their own, please fill in the form below and return it to school as soon as possible.

Children who do not have permission to walk home will wait for their parent / carer at their year group cloakroom doors. If no form is returned, we must assume that you do not give permission for your child to leave without an adult meeting them at their year group door.

Yours faithfully,

Mrs F Stead
Headteacher

Children Walking Home Alone (Year 5 and 6).

I give permission for my child to walk home alone at the end of the school day.
