

**Topic:** Bramley and Map Skills

**Year:** 2

**Term:** Summer

## Map of Bramley

## Map Reading Skills

Maps have a key - sometimes called a legend - to help you understand where places are.

Some of the main symbols are shown in the table below:

	car park		woodland
	supermarket		train station
	petrol		road (main)
	castle		church
	restaurant		water

## Using a Compass

A compass needle always points north.

The main points on the compass are north, south, east and west.

You can use a compass to help find your way home with a map if you are lost.
