Dear Parent/Carer,

Whitecote Primary School is part of a project in Leeds that runs jointly between all Leeds schools and West Yorkshire Police. The project has been established to support children who are resident in households where there are incidents of domestic violence and abuse. We know that children can be significantly physically or emotionally hurt by being either present in the house or directly witnessing an incident of domestic violence. The Domestic violence and abuse school notification project has been designed to provide confidential notification to schools on any incidents of domestic violence and abuse which occur within a child's household that might have an impact on a child whilst they are in school. The project ensures that a member of the school staff is trained to allow them to use the information that has been shared, in confidence, and ensure that the school is able to make provision for possible difficulties experienced by children, or their families, who have been involved in or witnessed a domestic violence or abuse incident. We are keen to offer the best support possible to our pupils and we believe this is going to be extremely beneficial for all those involved. If you would like further support or information about domestic violence and abuse please go to [www.leedsdomesticviolenceandabuse.co.uk](http://www.leedsdomesticviolenceandabuse.co.uk) If you require any further information about the project, and schools' involvement, please speak to Tracey Tweed.

Yours faithfully,

Tracey Tweed
