Autumn 2
 Year: 6
 Parent Curriculum Map

Monday 4th November 2024 - Thursday 19th December 2024

Curriculum Information

English

In English, children will be developing their reading repertoire by reading Wuthering Heights and developing their writing skills by using authorial bias. We will look at how authors use specific vocabulary to create an image and develop our composition. Children will also enjoy writing their own narrative based on the short horror film, Frances Brandywine.

Maths

Over the coming weeks, children will learn how to use formal written methods to complete long and short division. After we will move onto fractions- looking at how we calculate equivalent fractions, convert improper fractions to mixed number fractions, add and subtract fractions, and even multiply and divide by an integer.

Science

In science, pupils will develop their understanding of the natural world by learning about the process of evolution. We will study the findings of Darwin and how this shaped our understanding of the world today, including how animals, including ourselves are continuing to evolve and adapt to our ever-changing climate.

Humanities

In our geography, we will be consolidating our understanding of the wider world, looking at the process of globalisation and how countries that have experienced an Industrial revolution have developed in comparison to those that haven't. We will contrast and compare the difference between the global north and the global south.

Art / Design Technology

In DT, we will learn all about the production of bread; including how it has originated and the different forms it has taken across the globe. Children will have to opportunity to do bread tasting and eventually design and make their own loaf from a design brief.

PE

Our indoor PE this term will be gymnastics, children will develop their accuracy, consistency and clarity of movement. They will work with apparatus and vary their compositional ideas. In outdoor PE, we will be building our football skills, developing our ability to work as a team to defend and attack as well as scoring powerful penalties.

Computing

In computing, we will be learning about coding. We will make our own games with timers and scores using variables. We will also use functions in our programming.

Other

In music, we will be developing our skills in playing the ukulele as well as developing melodic phrases and understanding structure & form. In PSHE we will be going through class rules and behavioural expectations for the year.

Teachers:	Ms Barkerwood and Mr Sheffrin
Additional Staff:	Mrs Howe, Miss Scadden, Miss Lloyd, Miss Buller, and Miss Mollett
Lead Teacher:	Mr. Sheffrin

	Monday	Tuesday	Wednesday	Thursday	Friday
PE Kit					Indoor / Outdoor

Additional Information

Learning begins at 8:45 promptly and finishes at 3:00pm. Please make sure your child is at school on time and that he/she is collected promptly.

Please remember to inform school of any change of address, home telephone number, mobile telephone number or any other emergency contact information

Homework

We ask that you listen to your child read for 20 minutes every night. You can complete the home reading record to show that this has been done. Children must also learn weekly spellings and times tables. We use Times Tables Rockstars for this. Other homework is set by teachers as required.

Dinner Money

Dinner money per day is £2.20. This works out at £11 per week. Payment for dinner money must be paid at the start of the week. This can be done on Parent Mail.
