## Squid Games

We have been made aware that a small number of children may be playing some of the playground games as featured in Squid Game. While the games themselves are based on innocent, traditional playground games, Squid Game is a Netflix programme featuring scenes of violence and death. It is rated 15 and as such we do not consider it suitable viewing for primary aged children. However, clips and ideas from the programme have been used on other platforms such as Tik Tok, Youtube or Roblox, which your child may have access to at home or on a mobile device.

Please click the link below to see some useful guidance on this matter, and rest assured that staff are aware of this and will speak to any children who incorporate any aspects of this into their play. If you have any concerns about this or would like some further advice, please contact Mrs Burling or the safeguarding team via school.

Thank you
