# Playground Construction

We are having some exciting improvements to our playground which will begin next week. We're thrilled to be enhancing this beloved space for our children's enjoyment.

To ensure the safety of everyone during the construction phase, we kindly request that you keep your children away from the playground area while work is underway.

We apologise for any inconvenience this may cause. The playground will be temporarily closed during construction, and we'll provide updates on its re-opening as soon as they become available.

In the meantime, we encourage you to explore other nearby playgrounds or engage in outdoor activities with your children in safe areas. Thank you for your understanding and cooperation as we strive to create an even more enjoyable playground experience for our children.

## Year 3 visit Aire View Care Home

Year 3 had an amazing time visiting the residents of Aire View Care Home. They got to talk about the work they have been most proud of this term, from their stories in English, addition and subtraction in Maths and the Stone Age in History!
