

Behaviour Summary for Parents

Core Values

INSPIRE
NURTURE
CHALLENGE

These core values run through the heart of everything we do and will be seen in all aspects of school life.

Children will be recognised for working towards these three aspects and a weekly target linked to one of the values. Children will have their name put on the INC Board throughout the week. One child on the INC Board in each class will be chosen to receive the INC Award in assembly.

School Rules

We respect everyone and everything.

We follow instructions.

We keep hands, feet and objects to ourselves.

Behaviour System

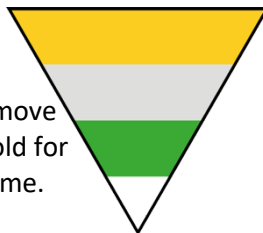

Children behaving well will move up from green to silver or gold for extra rewards and golden time.

If children move down to white, they are encouraged to change their behaviour and make the right choices to move back up.

We will focus on the positives but sanctions, such as a time out (during a lesson or break-time), will be used for repeated misbehaviour.

All children deserve to spend their school day in an environment which enables them to learn effectively. Good behaviour is part of this.

As a THRIVE school, we support children to understand their social, emotional and brain development and how this links to behaviour.

Rewards

INC Award – reward for one child from each class each week who has shown particular commitment to the focus aim for the week.
