

# Behaviour Summary for Children

## Core Values

**INSPIRE      NURTURE      CHALLENGE**

Get your name on the INC Board by following the weekly target.

If you get chosen to win the INC Award, you will be presented with a certificate in assembly and your grown-ups can come and watch!

As a THRIVE school, we will help you learn about your social and emotional wellbeing and how brain development links to behaviour.

## School Rules

We respect everyone and everything.

We follow instructions.

We keep hands, feet and objects to ourselves.

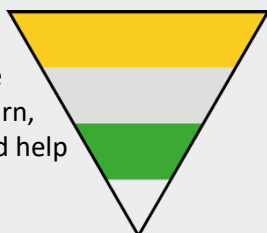

## Behaviour System

Move up from green to silver or gold for extra rewards and golden time.

If you move down to white, change your behaviour and make the right choices to move back up.

Adults are here to help you manage your feelings and behaviour BUT you must behave in ways that keep yourself and others safe. Sometimes an adult will work with you, or you might be asked to have a short time out to re-set your behaviour.

Let's all work together so our school is a fun, safe place where we can all learn, experience new things and help each other!

## Rewards

- INC Award – each week.
- Whitecote Wonder – each half term.
- Attendance Rewards – come to school every day for your chance to earn prizes and rewards.
- Reading – certificates, prizes, free books!
- Golden Time – do you want to do fun activities at the end of the week? Then make sure you're on green for 15 minutes, silver for 20 minutes and gold for 25 minutes!
- Class Rewards – each class has extra rewards, like stickers, praise, raffle tickets, extra jobs, dojos or reward charts.

## The Whitecote Way

The Whitecote Way is how we do things here. We all belong; we all have a part to play.
