Dear Parents and Guardians,

School Meals Price Increase.

We are writing to inform you of a necessary change to the cost of school meals, which will take effect from **Monday, January 6, 2026**. We understand that any increase in costs can be challenging, and we remain committed to offering nutritious and high-quality meals for our pupils.

The price charged to the school by our catering provider, Leeds City Council, has increased. While we have previously been able to absorb part of this cost, we are unfortunately no longer able to subsidise the difference. Therefore, the price for a school meal will be:

Current Price (per meal)	New Price (from Jan 2026)
£2.50	£2.90

This new charge of **£2.90 per meal** accurately reflects the fee charged to us by our catering team.

If you have any questions regarding the price increase, please contact Leeds Catering directly.

Thank you for your continued support.

Sincerely,

Frances Stead
Headteacher
