Dear Parent/Carers,

We will be holding a whole school bun sale Friday 13th February.

This is to raise money for us to take part in the 'Living Egg' project where the children can have the opportunity to see chicks hatch and learn how to take care of them. The monies raised will also go towards the Bowland farm visit for the whole school in summer term.

Please could we ask for donations of cakes and buns to be brought into school this week and on Friday the children will be able to purchase a bun for **50p each** on the top playground!

We hope you can support us and any questions please speak to your child's class teacher.

With warm regards,

The EYFS Team
