## Spring Term 2 2026

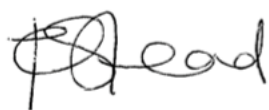

Dear Parents/Carers,

Please find attached a list of diary dates for the second half of the SPRING term. We do hope that you are finding this useful, and as you can see, we have another very exciting term planned with plenty of opportunities for your children to broaden their experiences. If any of these dates must be changed, or if we decide to add further events as we further refine and develop our curriculum, then we will give you as much notice as possible. We will provide more information on each event nearer to the time. All updates will be sent out via Arbor, please make sure notifications are turned on to ensure you receive all information.
