## Parent Survey – January 2026

Dear Parents and Carers,

Thank you to everyone who took the time to complete our Parent Survey in January 2026. We received 47 responses, and your feedback helps us continue to improve our provision and strengthen our partnership with you.

Here is a summary of what you told us — and what we will do next.

---

### ***You Said... Your children are happy and feel safe at school.***

Most of you told us your children enjoy coming to school and feel secure.

### **We Will...**

Continue to prioritise wellbeing and maintain a nurturing, supportive environment for all children.

---

### ***You Said... Behaviour is generally good, but a few parents are unsure.***

A small number of parents were uncertain about how behaviour is managed.

### **We Will...**

Communicate more regularly about our behaviour expectations and the systems we use to support children.

---

### ***You Said... You are confident that your child is progressing well.***

This was our strongest area, with almost all parents responding positively.

### **We Will...**

Maintain our high expectations and continue to provide high-quality teaching and support.

---

### ***You Said... Some of you would like to better understand the curriculum and how your child is doing.***

A small minority reported that they would like clearer information.

### **We Will...**

- Share clearer links to curriculum information on the school website.
- Review and improve how we update parents across the year.
- Finalise our new homework approach to further support understanding of learning at home.

***You Said... Clubs and activities are appreciated, but could be even better.***

This was the category with the highest number of negative responses.

**We Will...**

- Continue reviewing our club offer to ensure it is varied and engaging.
- Improve communication so all families are aware of what is available.
- Actively encourage participation from all pupils to ensure equal access.

---

***You Said... Most SEND families feel supported, but a small number do not.***

A minority of SEND families reported unmet needs.

**We Will...**

- Explore what additional support or adjustments can be put in place.
- Continue to offer opportunities for parent feedback during IPM reviews and statutory meetings.

---

***You Said... You would recommend the school.***

An overwhelming **94% of parents** said they would recommend Whitecote.

**We Will...**

Keep building on what is working well and continue listening to feedback.

---

Thank you again for taking the time to share your views. Your feedback plays an important role in shaping what we do next.
