

Monday 20th April 2026-Friday 22nd May 2026

Curriculum Information

English

In English, we will be reading a variety of Greek myths. We will be writing our own narratives based on a Greek myth. We will also write a setting description about life in Ancient Greece and create persuasive letters to Zeus.

Maths

In Maths, we will continue to revise our knowledge and understanding of the four operations and practise our rapid recall of times tables facts. We will be learning about mass and capacity and how to use kilograms and grams as well as litres and millilitres as units of measurement. We will then move on to adding and subtracting fractions and finding a fraction of an amount.

Science

In Science, we will be learning about animals including humans. We will learn about the importance of nutrition and how humans and some other animals have skeletons and muscles for support, protection and movement.

Humanities

In History, we will be learning about Ancient Greece. We will find out who the Ancient Greeks were, where they lived and what life was like for them at the time. We will also consider the impact that the Ancient Greeks have had upon us and how they are still remembered today.

Art / Design Technology

In art, we will be creating our own clay pottery inspired by ancient Greek pottery. We will identify how artists used silhouette figures, decorative borders and frieze compositions to depict scenes from everyday life and mythology. We will also develop practical skills in sculpture through clay modelling, where we learn techniques such as rolling, pinching and joining.

PE

In indoor PE, we will be learning about dance. We will practise and put together a performance using facial expressions and props. In outdoor PE, we will be learning how to work as part of a team and use clear communication to develop our orienteering skills.

Computing

In Computing, we will be looking at databases, specifically branching databases. We will analyse what a branching database is, explore different branching databases and then create one of our own.

Other

In music, we will re-cap what we know about musical notation and compositions. We will listen to some English folk songs, and we will practise making different rhythmic patterns using the recorder. We will also create our own compositions and perform our own songs. In Spanish, we will learn 10 common shapes and also the numbers 1-5 in Spanish. By the end of the unit we will be able to recognise, recall, remember and spell up to 10 shape nouns. In PSHE, we will learn about how to work cooperatively with others. We will be focusing on understanding that people often need to play / work together to reach a shared outcome and to share their opinions on things that matter to them.

Teachers:	Mrs McDade (Spruce), Mrs Myers (Yew)
Additional Staff:	Miss Murphy, Mrs Cowgill (Spruce); Mrs Speight, Miss Best (Yew)
Lead Teacher:	Mrs McDade

	Monday	Tuesday	Wednesday	Thursday	Friday
PE Kit			Indoor	Outdoor	

Additional Information

Learning begins at 8:45 promptly and **finishes at 3:15pm**. Please make sure your child is at school on time and that he/she is collected promptly.

Please remember to inform school of any change of address, home telephone number, mobile telephone number or any other emergency contact information

Homework

We ask that you listen to your child read for 20 minutes every night. You can complete the home reading record to show that this has been done. Children must also learn weekly spellings and times tables. We use Times Tables Rockstars for this. Other homework is set by teachers as required.

Dinner Money

Dinner money per day is £2.50. This works out at £12.50 per week. Payment for dinner money must be paid at the start of the week. This can be done on Parent Mail.
