Transition to Your Child's New Class – September 2026

This leaflet provides information about the class your child will be joining for the 2026–2027 academic year.

As part of our transition programme, your child will spend one day with their new teacher and classmates to help them become familiar with their new learning environment.

Transition Day: Monday 6th July 2026

This important experience helps children feel confident, settled and excited about moving into their new year group in September, ensuring a smooth and successful start to the new school year.

Dear Parents and Carers,

TRANSITION DAY

At Whitecote, we value every aspect of your child's education and understand how important it is for them to feel happy, safe and confident at school.

A key part of this is ensuring a smooth transition into their new class in September. Transition Day gives children the opportunity to spend time with their new teacher, become familiar with their new classroom and begin building positive relationships ahead of the new school year.

The table on the next page shows your child's class teacher for September.

On **Monday 6th July**, please bring your child to their current classroom at the usual start time. During the morning, they will move to their new class and spend the day with their new teacher. At the end of the day, **please collect your child from their new classroom**. Staff will be available on the playground to guide you if needed.

From **Tuesday 7th July onwards**, children should be dropped off and collected from their classroom as normal.

A map of the school is included on the reverse of this sheet to help you identify the correct classroom and cloakroom entrances. This information applies to all classes except Nursery children who are due to start Reception in September, they will have separate visits to Reception as advised in their new starter packs.

We hope your child enjoys their Transition Day and looks forward to the exciting opportunities that await them in September.
