Dear Parents and Carers,

Reception Baseline Assessment

As your child has started Reception, we are writing to inform you about the national Reception Baseline Assessment which all children in Reception will participate in over the first six weeks of the academic year.

The attached leaflet will provide more information about the assessment and should answer any questions you have. If you need any more information about the assessment, please speak to your child's teacher in the first instance or visit www.gov.uk/STA

Yours faithfully,

Frances Stead

Whitecote Primary School
