LUNCHES!

Make mornings easier by pre-ordering!

Please remember to order your child's meals on SchoolGrid (schoolgrid.co.uk). Choosing meals at home means your child knows what they'll be having for lunch each day. You can order up to the end of the half term, or do this weekly or daily – whatever works best for you. Orders can be placed online until 9:00am, or through the school office until 9:45am. After this time we can't guarantee availability as the chef will have already started cooking. Ordering in advance helps mornings run a little smoother and means one less thing to think about! 😊

MIGHTY MEALS MENU 2026/27

Great school lunches designed to help young people grow and thrive in everything they do! Seasonal vegetables are provided with all meals or children can opt out for our 'Pick Your Own' salad bar.

Healthy Habits

At Whitecote Primary, we're proud to promote healthy habits every day.

💧 Water Only Reminder 💧

To support children's health, concentration and teeth, please remember that **sugary cordials and fruit juices aren't allowed in school, unless your child has a packed lunch** as per the school policy.

Water should be brought in bottles each day to keep children hydrated and ready to learn.

Together, we're building strong, healthy habits for life.

HEALTHY PACKED LUNCH GUIDE

Our Learning

Play Detectives!

Our fantastic Play Detectives are getting started with their very important mission — helping to Notice, Support and Create wonderful play opportunities for everyone. ☀

They'll be keeping their eyes open for brilliant play happening around school, thinking about how they can support others to join in, and helping to create exciting opportunities where everyone can play, explore and have fun together. ♥

And what better place to begin than our brand-new Mud Kitchen! 🍷🍹🌿

We can't wait to see the creativity, teamwork, imagination and (probably!) quite a lot of mud that comes from this fantastic new space. Our Play Detectives are ready to get stuck in and help make play at Whitecote even more brilliant!

Today a Reader - Tomorrow a Leader!

A huge thank you to our wonderful Let's Read volunteers

for giving their time and helping us nurture a love of books across our Whitecote family. At Whitecote Primary School, we believe that reading is one of the most important skills a child can develop. It supports learning across the whole curriculum, builds vocabulary, sparks imagination and helps children make sense of the world around them. At Whitecote, we encourage every child to read, read, read! Because developing a love of reading can open the door to a lifetime of learning, imagination and opportunity.

That's why we are delighted to welcome Let's Read, a fantastic charity made up of dedicated volunteer readers who have been coming into school every week for the past two years, spending time reading with our children across all year groups. Our volunteers provide children with extra opportunities to enjoy books, share stories and develop their confidence as readers. Whether a child already loves getting lost in a book or is still discovering the joy of reading, having a dedicated adult to read with can make such a difference.

Could you be a reading volunteer?

We are always looking for passionate reading volunteers who would love to support our children and share their enthusiasm for books. If you would like to register your interest, please email office@whitecote.co.uk. Let's inspire a love of reading, one book at a time!

★ *Our School Council is up and running!* ★

Our School Councillors from Year 1 to Year 6 held their first meeting this week, sharing and comparing ideas, making plans and discussing ways they can make a positive difference across school. ♥

They also got busy discussing reward ideas for our upcoming challenges! 🏆🎉

It was fantastic to see children from across the school working together, sharing their opinions and having their voices heard. We can't wait to see what they achieve this year! 🙌

STOP LOAN SHARKS

Intervention . Support . Education

For Immediate release

April 23, 2026

Suspected loan shark arrested in Leeds

A suspected loan shark was arrested in Leeds today following an early morning operation by the England Illegal Money Lending Team (IMLT).

IMLT officers worked in partnership with officers from West Yorkshire Police to execute a warrant at an address in the Pudsey area. A 61-year-old man was arrested on suspicion of illegal money lending and officers seized documents, electronic devices and cash.

The suspect was taken into custody to be questioned by IMLT investigators and later released on bail pending further inquiries.

The IMLT works in partnership with West Yorkshire Trading Standards Service to investigate and prosecute illegal money lenders.

Dave Benbow, head of the IMLT, said: "Illegal money lending will not be tolerated in our communities, and we work with our partners to take action against those who target the vulnerable in this way."

"If you borrowed money from someone you thought of as a friend but are now feeling afraid and you're paying back more than you borrowed, you may have been targeted."

"Our team can offer specialist confidential advice, so if you are worried get in touch now. We are here to help, not to judge and you shouldn't feel ashamed or embarrassed to reach out for support."

There are up to 1.08 million people in debt to loan sharks in England, according to figures from the Centre for Social Justice (CSJ).

The warning signs of an illegal lender include:

- Giving no paperwork or agreement on a loan
- Keeping items until the debt is paid such as your bank card or passport
- Taking things from you if you don't pay on time
- Adding more interest or charges so the debt never goes down
- Using intimidation or violence if you don't pay

Safer Eating

in our setting (EYFS)

Inspire | Nurture | Challenge
Bramley, Leeds

We follow safer eating practices to help keep the children in our care safe and healthy.

In our setting we...

-  Ensure children are supervised at all times during meals and snacks.
-  Provide healthy, balanced meals and snacks that meet children's dietary needs.
-  Follow allergy and intolerance procedures and keep up-to-date information.
-  Encourage regular drinks of water throughout the day.
-  Ensure food is prepared to avoid choking.
-  A member of staff in the room holds a valid paediatric first aid certificate.
-  Children are within sight and hearing of a member of staff whilst eating.

Why it's important

Following safer eating guidance reduces the risk of choking and helps children to develop healthy eating habits, supporting their growth and wellbeing.

Your child's safety is our priority

We follow the latest guidance from the Statutory Framework for the Early Years Foundation Stage.

Safe Sleeping

in our setting (EYFS)

Inspire | Nurture | Challenge
Bramley, Leeds

We follow safe sleeping practices to help keep the children in our care safe and comfortable.

In our setting we...

-  Child is always placed on their back to sleep.
-  Once a child can roll independently, they may find their own position.
-  Child will sleep on a low firm mattress in a safe space.
-  Safe space clear of loose blankets, pillows, toys.
-  Room temperature is maintained between 16–20°C for children. Children are dressed appropriately to avoid overheating.
-  Sleeping children are checked regularly and monitored closely.
-  Children remain within sight and/or hearing of staff at all times.
-  Physical checks are carried out (not solely reliant on monitors).
-  Sleep checks are recorded where appropriate.
-  Ratios are always maintained during sleep periods.
-  Children are never left unattended while sleeping.
-  Children are not left to sleep in bouncers, highchairs, or on sofas.
-  Any child who falls asleep elsewhere is moved safely to an appropriate sleep space.

Why it's important

Following safe sleep guidance reduces the risk of Sudden Infant Death Syndrome (SIDS) and helps children sleep safely and comfortably.

Your child's safety is our priority

We follow the latest guidance from the NHS to ensure children sleep safely in our setting.

Safer Eating

Food Preparation

Inspire | Nurture | Challenge

For young children, food can be a **choking hazard**. Food should be prepared appropriately and children supervised while eating.

Think about size, shape & texture  Cut small round foods such as grapes, cherries, berries and cherry tomatoes lengthways and then into quarters.	Sausages & hot dogs  Cut in half and then lengthways into thin strips.	Meat & fish  Remove bones and cut meat or fish into thin strips; remove skin and fat where appropriate.	Cheese  Grate or cut into narrow strips.
Bread  Cut into narrow strips.	Nuts & seeds  Whole nuts must not be given to children under 5; chop or flake nuts and seeds.	Foods to avoid  Do not give young children chewing gum, marshmallows, boiled/hard/goosey/sticky sweets or ice cubes.	Hard/boiled sweets  Do not give.
Popcorn  Do not give to young children.	Children must be seated appropriately when eating and supervised at all times.

SAFE PARKING: PLEASE READ.

A reminder to all parents and carers to park safely and considerably during drop-off and collection times.

Please do not park on double yellow lines or block the school gates, and remember to observe the 20mph speed limit. These measures are in place to help keep our children, families and community safe.
Thank you for your support.

SAFE PARKING AROUND SCHOOL

Let's look out for one another

Your care. Their safety. Our community.

Together, we can keep our children safe.

DO NOT PARK ON DOUBLE YELLOW LINES

These restrictions are in place to maintain clear visibility and keep everyone safe.

DO NOT OBSTRUCT THE SCHOOL GATES

Keep entrances and exits clear to ensure safe access to the school site.

CHILDREN ARE EVERYWHERE

With many children walking, cycling and crossing the roads each day, irresponsible parking and driving puts lives at risk.

20MPH SPEED LIMIT

Please observe the 20mph speed limit and remain vigilant, particularly during the busiest times of the school day.

ACT RESPONSIBLY AND CONSIDERATELY

The safety and wellbeing of our children must remain everyone's priority.

Park safely. Protect lives.

Thank you for setting a good example for our children.

Thank you for your continued cooperation in helping us maintain a safe environment for all.

WHY DO WE GET SICKNESS OR DIARRHOEA?

Sickness and diarrhoea can make us weak and dehydrated. They can be caused by germs (infectious reasons) or by other non-infectious reasons.

INFECTIOUS REASONS (Caused by germs)

1 DIRTY WATER

Drinking water that is not clean or safe.

2 UNCLEAN FOOD

Eating food that is uncovered, stale or contaminated.

3 DIRTY HANDS

Not washing hands with soap before eating or after using the toilet.

4 HOUSEFLIES

Flies carry germs from dirt and waste to our food.

5 CONTAMINATED SURFACES

Touching dirty surfaces and then touching our mouth or food.

6 FOOD NOT COOKED WELL

Eating raw or undercooked food, especially meat and eggs.

7 SHARING FOOD OR UTENSILS

Sharing food or utensils with someone who is sick.

IF CAUSED BY GERMS:

Stay away from school for **24 HOURS** after the last event (vomiting or loose stool).

Stay home. Rest and drink enough fluids.

NON-INFECTIOUS REASONS (Not caused by germs)

REFLUX / ACID INDIGESTION

Stomach acid coming up into the food pipe can cause nausea, pain or loose motions.

ANXIETY / STRESS

Worry, stress or fear can affect the stomach and cause nausea, stomach upset or diarrhoea.

EATING TOO MUCH / OVEREATING

Eating large amounts of food can upset the stomach and lead to sickness or diarrhoea.

DIETARY INTOLERANCE

Some people may not digest certain foods (lactose, gluten, etc.) well and may get stomach upset.

ALLERGY / FOOD SENSITIVITY

Some foods can cause an allergic reaction leading to sickness, vomiting or diarrhoea.

NOT CAUSED BY GERMS:
You can go to school.

Eat well, manage stress and drink enough fluids to feel better.

PREVENT SICKNESS AND DIARRHOEA

WASH HANDS
with soap and clean water before eating and after using the toilet.

DRINK SAFE WATER.
Boil or filter water and store it in a clean, covered container.

EAT CLEAN, FRESH FOOD.
Keep food covered and eat while it is hot and fresh.

USE TOILETS.
Always use toilets and keep our surroundings clean.

DISPOSE WASTE PROPERLY.
Use bins and keep our home and community clean.

IF YOU HAVE DIARRHOEA,
DRINK ORS and plenty of clean fluids. Seek medical help if needed.

**GOOD HABITS. CLEAN SURROUNDINGS.
A HEALTHY YOU!**
