Monday 19th October 2026

Dear Parents/Carers,

Children in Need 2026

Friday 13th November

To help raise money for Children in Need this year, our Student Council took ideas from their classes and have decided to do 'Challenge 26'. We would like to invite all the children to participate in doing 26 laps of the playground or field. Classes will decide if they will do all 26 laps in one day or if they will spread it out over the week. They also decided to participate in the Strictly Come Dancing challenge and will learn some moves every day for a week to the BTS song 'Dynamite' and will then do the whole dance on Friday 13th November. Active circle games were also a popular idea with classes, so the play leaders will be organising these during lunch time that week.

The Student Council would like to raise as much money as possible for Children in Need so they would also like the children to wear their P.E. kits or sports clothes on Friday 13th November. In return, they would like to ask for a donation of £1, which you will be able to bring in cash on the day or add to our fundraising page for this event.

We are looking forward to seeing the children in their sports clothes ready to be active and complete 26 laps and do some dancing.

Thank you in advance for your support for this great cause.

The Student Council
