## Wrap Around Care Reopening

Dear Parent/Carers

After assessing the current guidance regarding the safe reopening of schools in September we have made the decision that both Breakfast and After school club can reopen.

In the first instance we will be operating a limited service, offering wrap around care only, to children whose parents are at work. We will need you to provide proof of your employment.

We will separate into 2 bubbles, Reception/KS1 and KS2 (this is dependent on numbers and may need to be reconsidered). Each bubble will eat together and play in the same area, each child will be provided with an individual activity pack that only they will use, and any toys used will be cleaned after every session. Children will not mix with other wrap around care bubbles.

Please email [wac@whitecote.co.uk](mailto:wac@whitecote.co.uk) to secure your place at either breakfast or after school club. We will not accept children dropped off without prior agreement.

**Magic Breakfast** - we are fortunate to have been awarded another term of free bagels so we can provide every child with a free classroom breakfast until Christmas.

We look forward to seeing you all back in school in September.

Kind regards

The Wrap Around Care Team
