

What I should already know

- I can print with different materials, e.g. vegetables, sponges and Lego.
- I can make marks with a pencil or paintbrush.

Key Knowledge

H pencils make a lighter mark on paper.

B pencils make a darker mark on paper.

The side of a pencil will make a thicker line than the tip.

Different materials/media can be used on one piece of art.

Primary colours are red, blue and yellow.
