

What I should already know

- Experiment with and combine materials and processes to design and make 3D form.
- I can sculpt clay and other mouldable materials.

Key Knowledge

The Greek pots were used in daily life to carry water or wine. They were popular in the homes of the wealthy people.

We value them so highly because they are usually found in museums.

The Ancient Greeks decorated their pots with scenes of daily lives, animals and events such

as sports. Greek pots were made of clay.
