Dropping children off at school.

We'd like to remind you that when dropping off your child by taxi or private car, please do not stop directly outside the school gates or in the middle of the road. Doing so can create traffic congestion, safety hazards and put children at risk. We encourage you to drop your child off a short distance away from the school and walk the rest of the way. This helps to ensure the safety of all students and pedestrians.

Thank you for your cooperation!
