Dear Parents and carers,

Year 6 SATs Breakfast.

As I'm sure you are aware our year 6's will be doing their SATs next week from Monday 12th – Friday 16th May.

In order to ensure the week goes as well as possible for your children, they are invited to attend a free breakfast club from 8AM. There will be a range of their favourite cereals, juice and toast to choose from and there will be staff around to help put your child at ease and have a great start to the day.

Registration takes place during this time and will close promptly at 9.00 in order for us to ensure all children are present and on site.

Please note that staff will conduct home visits should your child be unwell or late for any reason as it is imperative that they sit the test.

We would like to take this opportunity to thank you for all your support and wish to reiterate to you how incredibly proud we are of how hard the year 6's have worked this year.

Yours sincerely,

The Year 6 Team
