School Photo Day!

Wednesday 18th October

We are excited to announce that we are hosting a new photographer this year, Arts Photography, to capture the children's annual school photos. We have chosen Arts Photography as their photos look great, they are good value for money and are carbon neutral! As a thank you for booking with them, they have planted 100 trees in the name of our school! Here is their website for more information and examples of their work. We will be offering sibling photos for children from Little Doves up to Year six.
