## Parent and staff communication

At Whitecote we are very proud of the relationships our staff members have with our families, and the constant determination they have to make sure each child has their needs met. In the past few weeks it has been noted that some encounters have become challenging and inappropriate. We want to make sure that we continue our good relationships with our families so please make sure all your interactions with staff are positive.

Please note, whilst we make every effort to prevent cross contamination in our kitchens, we cannot guarantee that any food item is free from any specific allergen. We produce our food fresh every day in kitchens where allergens are handled by our staff and where utensils and equipment are used for multiple menu items.

Last week KS2 visited Bramley St Peter's Church for our Harvest Festival assembly. We learned the importance of harvest and why we need to be thankful for it. We explored the message of how one small seed can grow into something big. We would like to thank everyone for their harvest donations to Bramley Carebears!
