

Transition Book 2025-2026

Inspire | Nurture | Challenge

Welcome to Little Doves

Our Class: Seedlings

Our School Aims and Values

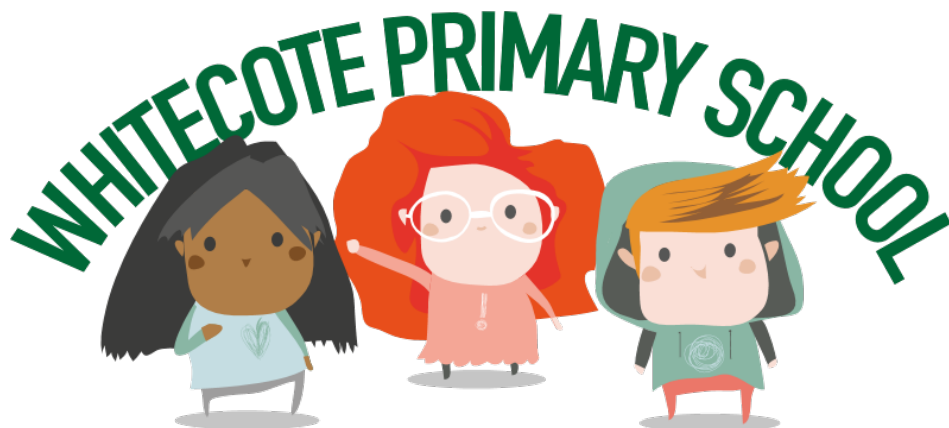

Our three school core values are:

- *Inspire*
- *Nurture*
- *Challenge*

These core values run through the heart of everything that we do and will be seen in all aspects of our lives.

Our school rules are:

- *We respect everyone and everything.*
- *We follow instructions.*
- *We keep hands, feet and objects to ourselves.*

The School Day

The school day begins at 8:45am.

It ends at 3:15pm.

I will arrive and leave from the doors marked "Little Doves"

Our Curriculum

Some of the main things that we will be learning this year are:

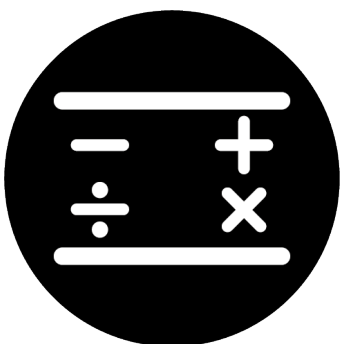

Writing

Children will begin their writing journey by making lots of different marks in the environment, such as painting, drawing, and writing. We will also help develop children's fine motor skills.

Phonics and Reading

Much of our phonics in Little Doves will be based on making sounds with our voices and identifying the different sounds in words. When children are ready, they will learn to say the different sounds they can hear in words.

Numeracy

Early counting will be a particular focus for children in Little Doves. We will sing lots of different nursery rhymes and number rhymes to support this.

Our Curriculum

Some of the main things that we will be learning this year are:

Understanding the World

Our past and present curriculum offers children the chance to experience first-hand history. Children will learn about the important people in their family.

Children will read lots of stories from different places around the world which will help them understand about the many different types of locations and cultures as part of our people, cultures and communities.

We will begin to learn about the people who are important to us inside and outside of school.

Expressive Arts and Design

Children in Little Doves will experiment with lots of different colours and techniques, as well as making different marks with different materials.

Children will learn how to hold different tools such as pencils and scissors. They will begin to use these in their learning.

Singing songs will be a huge part of our Little Doves curriculum this year. This will help with our language development and numerical understanding. Musically, children will learn how to sing using louder and quieter voices.
