8<sup>th</sup> September 2025

Dear Parents/Carers,

## Census Day for Schools – Thursday 2<sup>nd</sup> October 2025

Thursday 2<sup>nd</sup> October 2025 is the National Census Day for schools. School's funding from the government for school meals is dependent on the number of meals ordered on this day, so we are very keen for the maximum number of orders! This funding directly benefits all pupils so the more funding we receive will mean improved provision for teaching and learning.

Reception, Year 1 and Year 2 pupils are all eligible for Universal Infant Free School Meals, so we are asking that all these pupils at least order a meal to try. (A packed lunch can also be brought from home if you prefer as a backup!) If your child has any dietary needs, please let us know in advance so they can be accommodated on the day.

Ordering your child a meal can be done via SchoolGrid. As this meal choice is in the future, you will need to click the 'Next Week' button until you see The Great British Lunch, dated Thursday 2<sup>nd</sup> October. If you require any help with this, please do contact the office. If you pay for your child to have meals, there is no change in cost as it is staying at £2.50 per meal.

All children that receive a school meal that day will receive an exciting participation sticker to mark the occasion!

## The Great British Lunch! - Thursday 2<sup>nd</sup> October 2025
